

Paintball Biathlon Permission Slip

BKL skiers will periodically have the opportunity to add biathlon training to their practice. We will set up a range with targets and a small number of paintball rifles propped on hay bales and manned by a dedicated adult. Each team will have a brief safety discussion and then be invited to test the range.

The biathlon range will be optional, and if I skier is interested in participating, we will need your signature granting permission.

Please know that we will have protective eyewear and safety protocol in place to maximize safety. Know also that we will have a one strike policy that will exclude anyone who does not respect the safety guidelines.

I _____ grant permission for _____

(Parent printed name)

(Skier's printed name)

to participate in the BKL paintball biathlon program.

(Parent signature)

(Date)

Please print, sign and bring this slip to the next BKL practice.
